

控制环路库

VOFA上位机支持

```
graph LR; A[VOFA上位机支持] --> B[控制环路库]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text '控制环路库'. The box on the right is gray with a black border and contains the text 'VOFA上位机支持'. A black arrow points from the right box to the left box.
