

控制环路库

Real Fast Fourier Transforms

```
graph LR; A[Real Fast Fourier Transforms] --> B[控制环路库]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the Chinese text '控制环路库'. The box on the right is gray with a black border and contains the English text 'Real Fast Fourier Transforms'. A black arrow points from the right box to the left box, indicating a relationship or flow from the FFTs to the control loop library.
